## **Health and Safety Policy Statement**

**At AE Aerospace (Birmingham) Ltd we believe that safety is everyone's concern and requires all employees at all levels to adopt a safe attitude and behaviour whilst at work in order to prevent the possibility of injury to themselves and others, or damage to equipment.**

**The management at AE Aerospace (Birmingham) Ltd recognises the importance of Health and Safety and is committed to both its legal and moral Health and Safety obligations. The management at AE Aerospace (Birmingham) Ltd will support this by demonstrating a commitment to Health and Safety, individual responsibilities and training and ensuring that Health and Safety is represented at management meetings as an agenda item.**

Our general policy is as far as is reasonably practicable is:

- to provide adequate control of the health and safety risks arising from our work activities;
- to consult with our employees on matters affecting their health and safety;
- to provide and maintain safe plant and equipment;
- to ensure safe handling and use of substances;
- to provide information, instruction and supervision for employees;
- to ensure all employees are competent to do their tasks, and to give them adequate training;
- to prevent accidents and cases of work-related ill health;
- to provide a safe working environment to all AE Aerospace (Birmingham) Ltd employees, contractors, visitors and others who may be affected by its duties or omissions;
- to maintain safe and healthy working conditions; and
- to review and revise this policy as necessary at regular intervals with a goal of continual improvement in our Health and Safety performance

Signed

Peter Bruch  
Managing Director

Date            January 2019

**This policy will be reviewed and revised as required at intervals not exceeding 12 months.**
